# PROGRAM HIGHLIGHTS

## Introduction:

Ipca is proud to launch a comprehensive virtual learning program for postgraduate urology students both MCh & DNB, in collaboration with MPUH Nadiad as our academic partner.

This program is being launched on virtual platform. There will be total 11 sessions. Each session will be conducted on 1<sup>st</sup> Friday of every month, with first session commencing from 1<sup>st</sup> May onwards.

The primary objective of this program is to strengthen preparation for **final examinations**, focusing on high-weightage and clinically relevant topics. Sessions will be delivered by **eminent subject experts from across India**.

## Eligibility:

- 1<sup>st</sup> Year, 2<sup>nd</sup> Year, and 3<sup>rd</sup> Year Urology Residents
- Applicable for both MCh and DNB trainees

## Registration:

No Enrollment Fees (Free Registration)

## Scope:

- Access to all sessions for registered participants
- Interactive format with opportunities to ask questions and engage with faculty
- Designed to enhance conceptual clarity and exam readiness

## Duration:

**Frequency** : First Friday of every month

**Time** : 7:00 PM - 8:00 PM (Evening)

**Total Sessions** : 11
